

Refuel @ FOREST EDGE

Refuel Leadership Development Weekend

The *Refuel* Leadership Development Weekend is held at *Forest Edge* in November each year. As many of us look towards a busy Summer of camps and other ministries, it is a chance to learn and grow, be encouraged and inspired - to refuel.

Dates: Friday 28th - Sunday 30th November

Location: Forest Edge
405 McKenzie Road, Neerim East

Age Group: 14+ years

Cost: \$35

Guest Speaker - Andy Groza

Andy is the Youth Pastor at Faith Christian Church in Dandenong, including Revolution Youth. He is a passionate and dynamic speaker with a heart for empowering and raising up young people to change their communities, their nation and their world. He is sure to challenge and inspire us in our ministries and our relationships with God.

The structure of the weekend, outside of the main Bible Studies, is three *ministry streams*; Children's Ministry, Youth Ministry and Leading Leaders. These streams cover things relevant to people serving in that specific area of ministry. *Personal Development Electives* are run on a variety of topics, open to all participants, regardless of their ministry stream. Some of the great people coming to share with us include...

Peter Lusk is the Children's pastor at Careforce Church in Melbourne and also a Director Southern Cross Kids Camps. He is involved as part of a dynamic team involved in a variety of children's ministries through Careforce, and brings a wealth of experience working in church and camp ministries.

Hayley Thompson is well known across Victoria, especially Mt. Evelyn as the 'GLOW Girl'. She also spearheads the "Recharge" after-school club at Careforce, and will no doubt inspire you to be creative and strategic as you reach your community kids for Jesus!

Bill Vasiliou has been involved in Leadership Training and Development since 1990 in both church ministry and christian business. He has been the Hawthorn Football Club Chaplain since 1994. He regularly leads short-term mission teams all over the world and is involved at Connection (Church of Christ) which is a cafe/pub style church in Croydron.

Pete Cavanaugh and his family spent two years working as missionaries in Vietnam, returning to the Warragul area in 2005 where Pete had previously spent 4 years serving as youth pastor at Community Church Warragul. He now works as the chaplain at Drouin West Primary School and Neerim South Primary School.

Levi McGrath demonstrates a passionate commitment to changing the world for the better that goes well beyond his years, from working with orphans in Uganda, to working with street kids in inner-city Melbourne. He is passionately committed to the belief that music is one of the most powerful influences in the world. That's why he aims for his music to motivate and inspire a new generation of people who are willing to stand up and make a difference.

No Greater Sky are a US based band who are touring Australia this Summer. They claimed the title of 2007 Unity Fest Artist Ovation winner. The win earned them two prime stage spots at Unity Fest in Muskegon, Michigan, including an opening slot on the Main Stage, playing with artists including Newsboys, Sanctus Real, MercyMe, Casting Crowns, Jars of Clay and Nevertheless. We are thrilled to have them involved in our Leadership Weekend and Summer Camps, for which they have written our theme song, "Superhero"!
