Enjoy the short drive to ADANAC CYC through the beautiful Yarra Valley

SURROUNDS

Originally owned and operated by an overseas family who chose to name their new property after their home country spelt in reverse, Adanac CYC is situated 65 km east of Melbourne on the Warburton Highway, where the picturesque vineyard covered Yarra Valley gives way to the towering trees, green valleys and pristine rivers surrounding Launching Place & Yarra Junction.

The scenic-filled drive ensures you are starting to relax & unwind even before you arrive.

SETTING

Adanac's 13 acres of undulating parkland and natural bush, echoes with the myriad noises of nature, whilst providing panoramic views of the Blue Dandenong Ranges. Close to cafe's, fine food and winery outlets of the Yarra Valley, the surrounding neighbourhood provides many opportunities for boutique shopping, golf, archery, and many family focused activities. Tree-lined walks, fern forest trails, and the safety, security, and services of the historic country town of Yarra Junction, are all situated within easy walking distance of your accommodation.

Adanac CYC and the surrounding valleys are 'easy to get to but hard to leave'
